How to use this catalogue

This is a showroom selection overview, not an official manufacturer catalogue or live inventory. Request exact models, product literature, specifications, stock and prices from our team. Brand authorization is not independently verified here.

01 / Bathroom and living

Coordinate the details that shape your everyday.

Sanitaryware and flush systems

Share your preferred basin and toilet styles, dimensions, installation type and concealed flush requirements. Ask about compatible components and manufacturer warranties.

Faucets, showers and accessories

Discuss finish, mounting method, mixer height and reach, pressure requirements and shower configuration. Bring a moodboard for a coordinated conversation.

Vanities, kitchen sinks and interiors

Share cabinet or counter dimensions, sink bowl preference and material or finish requirements. Enquire about current options for tiles, furniture and finishing accessories.

Enquiry checklist
